

Brendan Ridge  
SFX.

My dog, Tyson, is the best dog in Medina, Ohio. We got him from an animal shelter. I think he got hit by a car by the way he limps, he is brown and has a spot of white on the back of his neck. He is loving, caring, and kind. Whenever I start crying Tyson immediately runs over and licks me until I stop. I feel that Tyson loves me the most, because whenever I get off the bus he tries to greet me. He is a German Shepard mix with part Pitbull. He is always happy. He rarely jumps and chases cats. He is super cute. His ears bend so the tip of his ear touches his forehead. He is four years old, and his birthday on August fourth. He loves to play fetch and other games. He also loves meeting other dogs. Just remember Tyson is the top dog.
